# HEADLIGHTS ADVENTURE

---

This is your chance to experience 'One Night in Bangkok'. Typically, the evening begins at 17:30. We'll walk through various neighbourhoods, followed by some great local food, a beverage in a unique place, and a nice visit through market areas and historic districts. The best way to do this is by using a variety of local transportation in order to be spontaneous and efficient.

The night ends as you desire – a riverside rooftop bar with a fabulous view of illuminated Wat Arun (Temple of the Dawn) or a more intimate experience in the narrow alleys of the Na Na neighbourhood near Chinatown, where there are plenty of small bars and cafes to sit with a drink or two and experience Bangkok's emerging creative scene.

Time: Half-Day, Evening (approx. 17:30 – 22:30)

Explored by: Walking, three-wheeled tuk-tuk and public transportation

Inclusion: English speaking host, transportation, plenty of snacks, soft drinks and drinking water

Meals: Dinner

Note: After-trip drinks at the riverside bars or Na Na area are on your account.
